24 - 25 January 2009 Edinburgh International Climbing Arena, Ratho, Edinburgh

The SHPF is organising a weekend gathering on 24-25 January - when the chances of good flying weather conditions are unlikely to be a distraction.

The aim is to bring together all free flyers for a weekend of essential, interesting and informative activities, based at the Edinburgh International Climbing Arena.

One of the highlights of the weekend will be a new lecture from flying and climbing legend, John Silvester, whilst the unique Ratho zipline gives the opportunity for dynamic reserve deployment.

Put these dates in your diary and look out for additional information and booking details coming soon.
